Fourth Grade Concert – 6:00 café

Madison Blues Concert – 6:35 – café

Fifth Grade Concert – 6:45 – café

Looking for Your Input!

Survey Closes March 5

We are seeking input from our Madison families via an online survey. Results from the survey will be compiled along with results garnered from a staff survey as well as a survey given to fourth and fifth graders. The focus of the survey is around the idea of a safe and collaborative school culture and environment. We will be using the data to assist us in creating a school improvement plan for the 2018 – 2019 school year.

You are able to take the survey in the computer lab during conference nights or you may click on the link provided to take the survey. We appreciate you taking the time to give us honest feedback. Thank you!

A video was prepared to introduce the survey to you. The video provides some of the reasoning behind the survey.

Access the survey by clicking the link below.

APPROVED Traditiona

Dental Health

The I-Smile program is offering no-cost dental services for the students at Madison again this year. All students will receive a passive dental screening. This is done with a simple look in the mouth to check for cavities. Other dental services may include: fluoride varnish and oral health education. First graders through fifth graders may also receive dental sealants.

Please watch for consents to come home with your child on Tuesday, February 27th. Kindergartners will have a pink colored form while first through fifth graders will have a yellow form. Please fill them out and return them to school prior to March 21.

After the services are provided to your child, a letter will be sent to you with the results. Please note that dental screenings do not replace regular dental check-ups. Your child should visit the dentist at least once a year for a complete exam.

For more information, please go to the following site:
