## Earth Day and Love Thy Neighbor Day

Madison students are continuing to participate in Community Service Projects this school year as we work to instill good citizenship and caring for those in our community. On April 21st classrooms will be taking a 'walking field trip' into our immediate neighborhood to deliver 'Thank You for Being Our Neighbor' cards to homes. Each class will also participate in cleaning up a portion of the Madison Campus to celebrate Earth Day.

## Facilities Master Planning Input Sessions

Community feedback is a critical part of our journey to Reimagine, Re-envision, and Reinvest in our students and schools. Thank you to the parents, employees, students, and other stakeholders who participated in our Facilities Master Planning Input Sessions this week. A survey opportunity to provide input will be available starting April 18. The feedback collected will be guide the future work of our Facilities Master Planning Committee and the recommendations made to our Board of Education in May.

## Western Day and Learning Celebration

Each May Madison School enjoys 'Western Day'. On Western Day (May 26) staff and students dress up in their western gear and enjoy a grilled hot dog lunch outdoors. We always greet and eat with many parents on this fun day. This year we are adding another layer to the day: Learning Celebration!

The idea behind a 'Learning Celebration' is to continue to great conversations students have with their families at the October and February Parent/Teacher Conferences. At both the conferences, students show and share their learning using their Data Binder/Folder. Madison staff continue to assist students to add to their Data Binder/Folder after the February conferences but felt little emphasis placed on the students' hard work and parents did not get to enjoy seeing the growth of their child from August to the end of the school year in May.

Please make plans to join us on Friday, May 26 during your child's lunch hour for a time to eat together, and be dazzled by your child's learning and enjoy one another's company. More details to follow.

## School Start and End Times Changing for 2017-18 School Year

The Cedar Rapids Community School District will adjust start and end times by five minutes for elementary and middle schools **for the 2017-18 school year**. The revised schedule will provide bus drivers a full hour instead of 50 minutes to complete their elementary routes, ensuring that all students arrive to school in time for breakfast and start the school day with their peers.

"Under the current schedule some students are arriving late for breakfast, making for a rushed start to the day," explained Val Dolezal, Executive Administrator of Preschool – 8<sup>th</sup> grade.

"Adjusting the school times slightly is expected to resolve this. In addition, all of our schools will start at 50 minutes after the hour, which is easier for everyone to remember."

### **Starting with the 2017-18 school year:**

- Elementary schools will **begin classes at 8:50 a.m. and dismiss at 3:50 p.m.** Early dismissal time will be 2:20 p.m.
- Middle schools will **begin classes at 7:50 a.m. and dismiss at 2:50 p.m.** Early dismissal time will be 1:20 p.m.
- High school classes will continue to **begin at 7:50 a.m. and end at 3 p.m.** Early dismissal will be at 1:30 p.m.
